

MEANINGFUL

ENGAGED

LEARNING

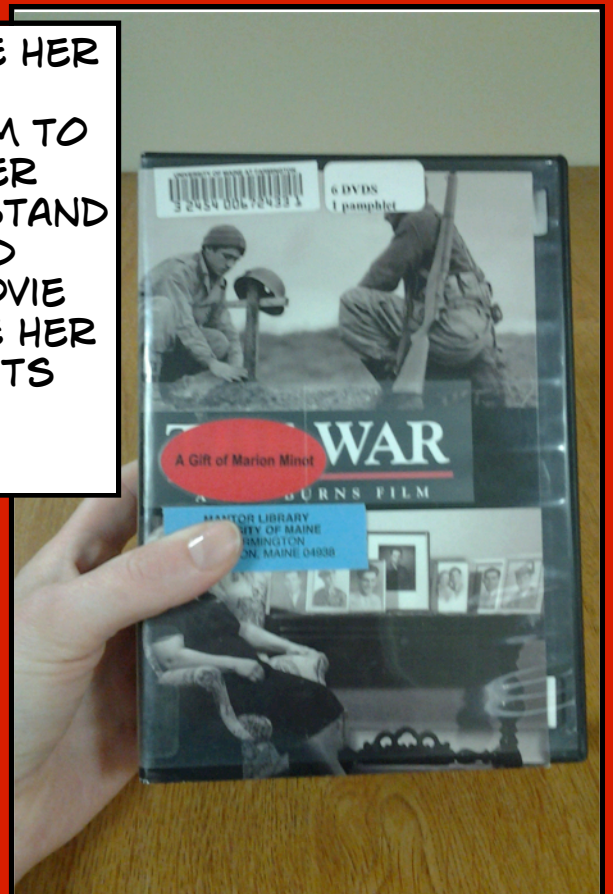

MS. SMITH WASN'T ENGAGING HER STUDENTS IN CLASS SO SHE WENT TO A VETERAN COLLEAGUE FOR ADVICE, MR. MEL GIBBS. SHE TOLD HIM THAT SHE HAD A LOT OF VISUAL LEARNERS IN HER CLASS. MR. GIBBS TOLD HER ABOUT A GREAT NEW CONCEPT CALLED **MEANINGFUL ENGAGED LEARNING**. IT WAS INVENTED BY MIKE MUIR AND HELPS TEACHERS INTEREST STUDENTS IN THEIR LESSONS BY CONNECTING TO THE REAL WORLD. HE THEN SUGGESTED THAT SHE SHOW SOME FILMS IN CLASS TO HELP HER VISUAL STUDENTS.

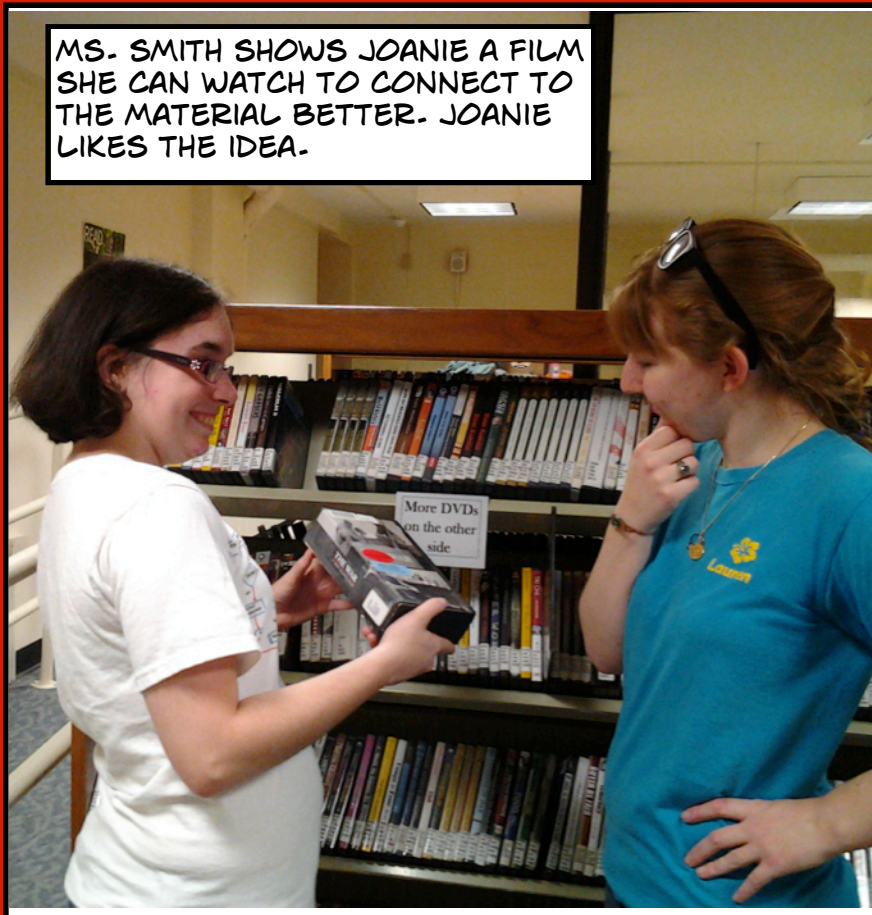

Mike Muir - Winter 2001
<http://www.mcmel.org>

HE GAVE HER THIS DIAGRAM TO HELP HER UNDERSTAND MEL AND THIS MOVIE TO HAVE HER STUDENTS WATCH.

MS. SMITH SHOWS JOANIE A FILM SHE CAN WATCH TO CONNECT TO THE MATERIAL BETTER. JOANIE LIKES THE IDEA.

THIS FILM HELPED ME UNDERSTAND WORLD WAR II BETTER!

LESSONS ARE MORE LIVELY AND STUDENTS ARE REALLY CONNECTING!

HERE ARE SOME MOVIES AND FILMS CAN BE WATCHED TO UNDERSTAND WWII BETTER.

MS SMITH'S STUDENTS ENJOY CLASS A LOT MORE NOW THAT THEY CAN WATCH FILMS.
